Post-Drupal HackCamp trip in Transylvania

Discover the wonders of Romania in a 3-day trip.

If in Romania, after Drupal HackCamp you shouldn't leave the country without visiting Transylvania. This central Romanian region, best known as a mysterious land of vampires, is a real place with something for each and everyone.

This 3-day trip is not included in the HackCamp's ticket. The price of the post-event trip may vary depending on the number of people interested.

More details about the event:

- Groups should be of minimum 18 people.
- First night of accommodation is at the Valea Verde Resort Cund with dinner and breakfast included.
- Second night in Brasov at a 4* Hotel with dinner and breakfast.
- The transport is covered by an 18-seat minibus

Routes:

First day: Bucharest - Sibiu - Cund
Second day: Cund - Sighisoara - Brasov
Third day: Brasov - Sinaia - Bucharest

Costs: The whole trip costs approximately 180 euro/person (in this price we have included a group attendant and a driver). Costs may vary if we don't make a group of 18.
